Wayne County has recently moved away from its totally agrarian image. Tourism and residential care have helped push job growth rates up in recent years. Although recessionary pressures nudged jobless rates up in 2001, unemployment remains low in an historical perspective. Population is increasing, homes are being built and even wages are moving upward. p = preliminary

Income and Wages

| | 1997 | 1998 | 1999 | 2000 | 2001p |
